

RESOLUTION 2022-06

A Resolution of the Four Corner County Water and Sewer District Special Assessment

RECITALS

WHEREAS, the Four Corners County Water and Sewer District (“District”) is a county water and sewer district duly established in 2003; and

WHEREAS, the District, after notice and pursuant to the laws of the State of Montana, annually establishes the special assessment amount to fund the obligations to the District; and

WHEREAS, the District, on the date of the public meeting set forth below, the Board, considered the special assessment amounts as well as public comment, if any.

NOW THEREFORE, the Four Corners County Water and Sewer District resolves to adopt the special assessments as set forth below. The District acknowledges on the date of passage there are 2550 lots, parcels, tracts and units within the District which will be assessed.
